

A technical diagram of a mechanical assembly, likely a hinge or latch mechanism, enclosed within a dashed circular boundary. The assembly consists of several components: a large rectangular block with a 60-degree angle indicated by a dashed line and the text "60 degrees"; a smaller rectangular block with a 25mm dimension indicated by a dashed line and the text "25"; a curved arm or lever with a circular end; and a small rectangular component with a circular end. The components are interconnected by various joints and fasteners, including a bolt and nut assembly. The diagram is a black and white line drawing with some areas shaded with diagonal lines.

Building	South facade	
Drawing	Horizontal section for windows 33-37	
Project	Restoration of the Ivenack Palace ensemble
