

The diagram illustrates a 400m race track layout. It shows a rectangular track with a total width of 400m. The track is divided into lanes by vertical lines. The distances between the vertical lines are labeled as follows: 45m, 50m, 50m, 50m, 50m, 50m, and 45m. The vertical lines are labeled with their respective lane widths: 10m, 170m, 130m, and 20m. The total distance of the track is indicated as 400m.

A large grid of 20 columns and 20 rows of squares, intended for drawing a picture. The grid is composed of small squares, each measuring 1 cm by 1 cm. The entire grid is enclosed within a rectangular border.

Technical drawing of a rectangular frame with dimensions. The frame has a total width of 220 (22 + 200 + 22) and a total height of 560 (22 + 516 + 22). The inner white area is 200 units wide and 516 units high. The frame is composed of a central white rectangle and a surrounding brown border.
